TFS Series
SMD Power Inductor

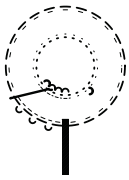

FEATURES

- Current loading up to 5A
- Iron powder cores with low losses
-
-
- Custom designs on request

APPLICATION

-
-
-

Dimensions: [mm]

Electrical Properties:

							(µH)		**(Ω)**
							36		
							37		
							43		
							56		
							68		
							68
